The Obvious Choice...

The Aluminum Fence Supply product line includes a large selection of maintenance-free fence, railing, and gates that are manufactured to withstand some of the harshest conditions. Located in a state-of-the-art manufacturing facility in Brooksville, Florida, Aluminum Fence Supply products are available in all fifty states and Canada.

As a domestic manufacturer, we're proud to say that everything we produce - including all panels, posts, and gates - are made right here at home. So know that when you choose an Aluminum Fence Supply product, you're also choosing an American company that manufactures quality, American made products.

If You Can Dream It...

...We Can Build It! In addition to an expansive line of products, We also offer professional Custom Design Services. Products include radius, convex/concave, and transitional panels as well as custom picket spacing, colors, channels, and heights. Unique gate designs, personalized gate adornments, and creative fence designs are also available.

A custom Aluminum Fence Supply project begins and ends with a customer's vision. With a talented team of representatives, engineers, designers, and skilled craftsmen, we can create unique, innovative and custom solutions for almost any situation or to any specification. So when you're choosing an Aluminum Fence Supply product, remember, "If You Can Dream It, We Can Build It."

We Think in Green...

As an environmentally aware company, we take great pride in our facility's recycling efforts. We recycle 100% of all aluminum, paper and plastic scrap. We also recycle 90% of evaporate coolant water and sell 99% of our reclaimed powder from our powder coating line to local businesses, resulting in a 1% waste factor. We will continue to explore Green Practices to reduce, recycle or eliminate waste generated every day.
